## YACHTINGPAGES DELIVERS

**YACHTINGPAGES Delivers** is our specialist hand distribution service to superyachts. We deliver your marketing material, catalogue or brochure directly to superyacht owners, captains and crew in an ecologically friendly, quality bag-for-life, made from recycled plastics.

Deliveries take place all year round in France, mainland Spain, and Italy's Mediterranean coasts, throughout Mallorca, Fort Lauderdale and **new for 2024, Palm Beach, and The Hamptons & Rhode Island** and at selected international boat shows. An exclusive 100% target efficient service, with unique access into shipyards, private ports and marinas.

- You will receive a detailed report with photographic evidence after each delivery  
Click [here](#) to see an example.
- Boat show deliveries are in high demand. They reach all yachts at the shows and include tender delivery to those at anchor during Cannes & Monaco.
